## MIKE McWILLIAMS IS A BROWNING MAN —

It takes more than losing a leg to keep Mike from chasing ducks and deer.

A boating accident required Mike's left leg be amputated below the knee, but his passion for hunting encouraged him to overcome the challenge. "I was hunting again in three months," said Mike. "I'm doing everything I did before, and with a better attitude. The Buckmark on my custom camo prosthetic is my good luck charm."

Mike's emblazoned prosthetic joins his collection of Browning shotguns and his chocolate lab, aptly named "Browning," as symbols of his dedication to the Buckmark.

Because of Mike's determination and enthusiasm for the Buckmark, his next Browning is on us.

## *Browning Citori Lightning*

The tradition of fine Browning over and under shotguns is nowhere more evident than in the Citori® Lightning. Classic styling reveals precise fit with tight manufacturing tolerances for unrivaled durability. The full-width hinge pin and tapered locking bolt wear in to stay tight over years of shooting. Proven Invector™ choke tube technology produces the most uniform patterns available, even with steel shot.
