JOSEPH MAMEROW'S HUMVEE DISPLAYS HIS FAVORITE LOGO —

During his off-time in Iraq, Joseph climbed on the roof of his Humvee and painted a pair of Buckmark logos on the gun shield of his “Ma Deuce” 50 caliber Browning machine gun, and two more on the doors.

When he's home on leave, Joseph hunts in Southeast Texas. “I like to hunt whitetail and wild hogs with my relatives,” Joseph said. “Actually, I like to hunt just about everything.”

His winning photo from Iraq means his next Browning is on us.

Browning proudly salutes the men and women of our armed forces around the world serving to protect our freedom.

A detachable box magazine allows the use of superior aerodynamic spitzer bullets. Takedown models quickly break down and allow the use of an optional scout-style scope mount.
