DARLENE FLANAGAN'S BUCKMARK QUILT SAYS IT ALL —

Darlene loves shooting her Buck Mark Target pistol at the local public shooting range.

As a surprise for her husband Jeff, Darlene turned their favorite outdoor hunting brand into a beautiful Browning Buckmark quilt for their 25th wedding anniversary.

"I used the largest Buckmark decal I could find and the Browning license plate frame from Jeff's car to get the design correct," Darlene said. "Since the Buckmark seems to be everywhere around the house, the quilt fits right in and was a pure joy to make."

Because of her exquisite skill with thread and needle, Darlene's next Browning is on us.

Browning Cynergy

The Browning Cynergy® is the perfect shotgun for trap shooting. It has the lowest profile receiver of any 12 gauge over and under for faster target acquisition and improved recoil control. The ingenious MonoLock Hinge is longer wearing than conventional designs, with 300% more hinge surface to distribute wear. The Invector-Plus™ choke system works with barrel back-boring to put more shot pellets on your targets. The new Unsingle Combo includes a two barrel set and a single barrel set with a fully-adjustable unsingle rib. Toe the firing line with a Cynergy and see the difference Browning technology makes.
